

Child of Hope

SCHOOL NEWS

Thank you so much to all the schools who took part in the Give and Learn Day and raised money for us throughout the year. Your generosity has made a huge difference to our children.

We have bought play equipment and desks for our Karamoja nursery; re-painted and fixed our playground ; bought art, craft and sports equipment for primary; bought mats and a sleeping area for our baby class and so much more.

Watch out for this year's GAL Day date!

New sports equipment

Crafts and sports equipment

Many of our children are waiting for sponsors. If you would like to find out more, please visit our website.

Fun with the new football

Our children love to communicate with their friends in the UK. We are always happy to have video calls with schools, write letters etc. I'll be visiting the UK in September.

Please let me know if you'd like me to visit your school to do an assembly/visit classes, or to arrange a video call with a Ugandan class.
